WOUNDED CONVICT DIED.

Got Worse After Being Taken Back to Allenfarm and Died at 3 This Morning.

The escaped convict, Will Connelly, captured by Sheriff Conlee Monday night and whom he was forced to shoot in effecting his capture, died at 3 o'clock last night. He was taken back to the farm near Allenfarm yesterday afternoon by Sargeant Loftin, and the fatigue of the trip is supposed to have caused him to collapse and he sank rapidly until death ensued at 3 o'clock this morning.

It is indeed an unfortunate occurrence, but one that could not be avoided and one that frequently comes to a peace officer in the discharge of his duties. He is sworn to uphold the majesty of the law, preserve the peace and dignity of the state, and protect the lives and property of the people, and to do this must use whatever force is necessary for its accomplishment.

No one regrets it more than Sheriff Conlee, but he feels that if violators of the law are to use their own pleasure about whether or not they will surrender when commanded to do so, that it would only be a short time until no attention would be paid to an officer whatever, and the law breakers would do as they pleased.

GOOD MEETING AT PROVIDENCE.

Rev. G. A. Foster of Harvey, was in the city this morning and paid the Eagle office a pleasant call. He reports that the meeting at Providence, conducted by himself and Rev. S. C. Harl, was very successful and resulted in great and lasting good. There was a great revival of the christian spirit in the community, and six additions to the church. One by profession and baptism and five by letter, with others yet to come in. Rev. Foster, assisted by Rev. H. M. Garnett of Fort Worth, is now engaged in a meeting at Steep Hollow and splendid interest is already being shown. Rev. Foster especially invites the people of Bryan and the various neighboring communities to come and enjoy the meeting.

A GOOD SHOW.

The "Airdome" is giving a good show every night and the people of Bryan are attending in large numbers. The pictures are plain and the subjects are fine.

The vaudeville presented each night is highly amusing. Songs, jokes, dancing and other vaudeville features are the program for the evening connected with the moving pictures.

Music by a splendid orchestra during the intermissions keeps the audience in a good humor and carries out the idea of a continuous performance.

This is Bryan's first summer theatre and the present prospects assures its success.

PROF. J. H. ALLEN TO SPEAK.

The Eagle is requested to announce that Prof. J. H. Allen will deliver an address at the Farmers' Union Exhibit at the Union warehouse Saturday afternoon at 2 o'clock. He will present the buggy to the boy who wins in the Boy's Corn Show, and his address will be along agricultural lines, the dignity of labor, etc. Prof. Allen is a man of fine thought, is a good speaker and his address will no doubt be listened to with great interest by a very large crowd.

MARLIN & OWLS.

The Owls suffered defeat again yesterday in the second game of the series with Marlin. A large number of Bryanites went up for the game yesterday and while the encouragement they gave was an inspiration to our boys that very nearly won the game still when the last man was out the score stood 5 to 6 in favor of Marlin. If it had not been for a costly error in the ninth inning the result would have been different, but the team that makes the errors is the team that gets beat and all that we can do is to hope to win the last game. May be we can do better in Cameron.

READY FOR BUSINESS.

Notwithstanding his heavy loss in the recent fire, Mr. L. A. Plasek displayed real pluck and has already completed the work of rebuilding his shop and has thrown open his doors for business. He rebuilt in the form of a one story corrugated iron building, using a great deal of the iron of his former building for the ends and sides, putting on a roof of new material. He would be glad for his friends and the public to call on him in his new building.

Americans Say They Can Fly Across English Channel

Special to the Eagle.

Washington, July 21.—The failure of Herbert Latham to cross the English channel yesterday brought forth expressions of confidence from the Wright Brothers that their machine can make a successful flight across that body of water.

"Have you any ambition to cross the English Channel?" Wilbur Wright was asked.

"No," he replied, "If I had I should have done it long ago."

Mr. Wright said the motor of Latham's aeroplane had never been known to run satisfactorily for more than five minutes at a time.

OWL CLUB NOTES.

At a regular meeting of the Owl club last night a number of important club affairs were passed on.

The resignation of Charles Folker as secretary of the club was read by the President and accepted. Frank Buchanan was elected to fill the vacancy. Ed Martin was elected manager of the baseball team.

The furnishings, fixtures, etc., of the new club rooms in the Perkins' building were discussed and a report from the purchasing committee was read.

The report from the Treasurer was adopted, after which the meeting adjourned.

A GOOD REASON.

Bryan People Can Tell You Why it is So.

Doans Kidney Pills cure the cause of disease, and that is why the cures are always lasting. This remedy strengthens and tones up the kidneys, helping them to drive out of the body the liquid poisons that cause backache, headaches and distressing kidney and urinary complaints. Bryan people testify to permanent cures.

W. J. Walker, Caldwell St., Bryan, Texas, says: "For some time I was compelled to rise several times at night on account of too frequent passages of the kidney secretions. I also had severe pains in the back and my energy was in such a low state that I found difficulty in attending to my daily duties. Some time ago I had the good fortune to hear of Doans Kidney Pills and getting a supply at Emmel & Maloney's drug store, I began their use. Their effect was prompt and the results were of a more satisfactory nature than I had received from any other preparation I had previously tried. I can recommend Doans Kidney Pills highly, knowing from experience that they are a specific for kidney disorders."

For Sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for United States. Remember the name—Doans—and take no other.
